Douglas County 4-H'ers and Parents,

Young people in the 4th, 5th and 6th are invited to join us for a week of camping experiences designed for their age. Georgia 4-H is recognized as having the number one camping program in America. You just can't miss it!

Making new friends and trying "exciting new adventures" are just the beginning. When we take Douglas County 4-H'ers off to camp, we make sure they get involved in a well- rounded experience. Students go to camp for fun, so we give them plenty of that — swimming, sports, games and dances. We also make sure that campers learn new skills through activities like hiking, crafts, computers, and cooking. We also include a few responsibilities, such as being at the right place at the right time, keeping up with a schedule and keeping their rooms and cabins tidy.

Going to camp helps students explore new challenges, gives added confidence and allows them to feel good about themselves.

The Douglas County 4-H staff looks forward to providing a summer camp experience worth remembering.

If your reservations must be canceled, do so in writing before April 13th, to receive a refund, minus a \$35.00 non-refundable arrangement cost. No refunds or cancellations will be made after May 1<sup>st</sup>, 2012, except with prompt notifications and proof of medical emergency of the 4-H'er. Any cancellations must be in writing.

Members will spend 5 unforgettable days at camp with college age counselors, 4-H leaders, and friends. They will learn about working as a team and wildlife while enjoying archery, hiking, arts and crafts, swimming, cooking, high ropes and zip lines.
